NOTICE TO CUSTOMERS.

While we exercise the greatest care to have all our trees and plants genuine and reliable, and hold ourselves prepared to replace on proper proof, all that may prove untrue, we do not give any warranty, expressed or implied, and, in case of any error on our part, it is mutually agreed between the purchaser and ourselves that we shall not at any time be held responsible for a greater amount than the original price of the trees.

TERMS CASH—C. O. D.—Orders must be accompanied by one-half the amount in cash.

All orders are carefully packed in boxes or bales, for which a charge is made, sufficient to remunerate for the cost of material only. Trees packed in bulk in cars at no extra charge.
